

Retractable Awning Installation

Pre-Installation Checklist

Before Installation:

- Confirm appointment time with Marygrove (You will receive a text/call the morning of).
- Ensure a clear path for the technicians to easily access the installation site.
- Clear off your deck or patio where the awning will be installed to avoid any obstructions.
- Keep pets indoors and ensure children stay away from the work area to maintain safety.

During Installation:

- Double-check the placement of your awning to ensure it's installed where you want it.

After Installation:

- The technicians will clean up the area, removing any debris from the installation process.
- You will receive a demonstration on how to use the awning and its features, including how to remove and reinstall the valance.
- Our team will provide you with a copy of the warranty, along with care and use instructions.
- The final payment will be collected; we accept cash, checks, Visa, MasterCard, Discover, and American Express debit or credit cards. A receipt will be emailed to you.
- If applicable, Greensky financing will be initiated within one day by our internal accounting team.
- Keep your awning functioning at it's best by enrolling in our award winning Mint Program.

Once Completed:

- Rearrange your furniture and enjoy the new shade provided by your awning!
- Review the care and maintenance instructions provided to ensure longevity and proper functioning of your awning.

We are always here to help!
